Introducing Premier

Anthem Blue Cross and Blue Shield follows up on our promise to continue to deliver new product options for your clients in 2010. The new Premier plan offers many benefits before the deductible and richer coverage for preventive care and prescription drugs. Featuring the lowest levels of coinsurance across all deductibles, Premier truly offers added value. Learn more about how Premier's choices can help you meet the needs of your prospects and clients.

New Premier Plan Highlights

- Unlimited doctor office visits with predictable copays, before the deductible.
- A broad range of preventive benefits help focus on keeping you healthy.
- Annual routine eye exam.
- \$7 million per member in lifetime benefits.

Premier features to consider

- Premier offers one of our highest levels of benefits, so premiums are typically more than our other plans.
- Maternity benefits are not included.

Preventive Care

Preventive care is an important component of Premier plan coverage. An annual physical exam and certain preventive screenings are covered before the deductible, once members have been on the plan for six months.
